The Agency and Outside Counsel are each a "Party," and collectively referred to as the "Parties." This Agreement shall bind the parties upon its execution by their duly authorized representatives.

WHEREAS, the Agency requires professional and specialized legal services in the matters described in this Agreement; and

WHEREAS, Outside Counsel is qualified and has agreed to perform such professional and specialized legal services; and

WHEREAS, the Attorney General has made a written determination that contingent fee representation with Outside Counsel is both cost-effective and in the public interest.

NOW, THEREFORE, the Parties agree as follows:

ARTICLE 1. SERVICES

The Agency agrees to engage Outside Counsel and Outside Counsel agrees to perform the services described in this Agreement and in Appendix A hereto. Outside Counsel understands and agrees that all services contracted are to be performed solely by Outside Counsel and may not be subcontracted, assigned or transferred without the prior written consent of the Agency.

Outside Counsel shall provide legal services to the Agency to conduct a pre-litigation investigation and to represent the State in civil litigation promptly filed to pursue all available legal and equitable remedies in connection with the damages incurred by the State as a result of actions

or omissions of insulin drug manufacturers, pharmacy benefit managers, third-party administrators, and rebate aggregators relating to insulin pricing, including, but not limited to, filing such claims for violations of the Racketeer Influenced and Corrupt Organizations Act (RICO), consumer fraud and deceptive and unfair trade practices, unjust enrichment, civil conspiracy, as well as any other common law and statutory claims that, following an investigation, the Agency authorizes in writing to be filed, which representation shall last through resolution of the lawsuit(s) including through any and all appellate proceedings (the “Insulin Litigation”). These legal services specifically include the assertion of economic and other claims on behalf of the State of Florida and its agencies against some or all of the following defendants: Novo Nordisk, Inc., Eli Lilly & Company, Sanofi-Aventis U.S. LLC, Express Scripts, Inc., CVS Caremark, OptumRx, Inc., Ascent Health Services, Zinc Health Services, Emisar Pharma Services, Aetna, Cigna, and UnitedHealthcare (collectively, “Defendants”). The Agency may provide certain documents, data, and records to Outside Counsel under this Agreement. Outside Counsel shall maintain the confidentiality of all such materials to the fullest extent allowed by law unless a particular disclosure is approved in writing by the Agency.

Outside Counsel will not represent another client adverse to the State of Florida or its agencies without the prior written consent of the Agency.

ARTICLE 2. COMPENSATION

Outside Counsel shall be compensated for its services in accordance with the provisions of Appendix B of this Agreement. Any compensation that may be provided to Outside Counsel shall be subject to the requirement in Section 16.0155(5), Florida Statutes, that in no event shall

the aggregate contingency fee exceed \$50,000,000.00. Any attorney's fees that might otherwise be due under this Agreement shall be forfeited if, during the pendency of the Insulin Litigation, Outside Counsel takes a public position that is adverse to the Agency's settlement or litigation posture, in accordance with Section 287.059(7)(b), Florida Statutes.

ARTICLE 3. TERM

This Agreement, unless terminated, shall extend through the conclusion, including appeal, by payment, judgment, settlement or voluntary or involuntary dismissal of all litigation, appeals, and negotiated resolution of the Insulin Litigation. Notwithstanding any contrary provision in the Agreement, this Agreement may be terminated, without cause and without recourse, upon five (5) business days' written notice to the other party. Such notice of termination shall specify the effective date of the termination.

ARTICLE 4. CONTROL AND MANAGEMENT OF INSULIN LITIGATION CLAIMS

(A) The Agency and Outside Counsel shall consult from time to time about all significant aspects of the Insulin Litigation. Nevertheless, it is understood that the Agency shall have the final, sole, and unreviewable authority to control all policy and other major, substantive issues affecting the Insulin Litigation, including but not limited to the presentation, negotiation, and resolution of the Insulin Litigation, the content of any pleading or other court document, and the selection of experts and consultants.

(B) The Agency shall designate a member or members of its staff to monitor, review, and participate in the conduct of the Insulin Litigation. The Agency may directly participate in any aspect of the Insulin Litigation, at the discretion of the Agency. The Agency shall have the right to substitute itself, or its designee, for Outside Counsel on any aspect of the Insulin

Litigation when the Agency, in its sole discretion, finds that such a substitution would best serve the interests of the State of Florida.

(C) Outside Counsel shall perform the services described in this Agreement at such times and in such sequence as may be directed by the Agency and in compliance with any deadlines set by any court and by any applicable rules.

(D) Outside Counsel shall hold status meetings with the Agency, at the Agency's request.

(E) Upon the request of the Agency, Outside Counsel shall promptly report, either orally or in writing as requested, on the status of Insulin Litigation, including, but not limited to, problems, strategy, analysis, and the like. Outside Counsel will provide a comprehensive status report every three months and at such other times as the Agency may direct. Outside Counsel agrees to disclose fully and accurately all facts and to keep the Agency apprised of all developments in the Insulin Litigation.

(F) The Agency shall designate one or more staff members to act as a liaison with any state agencies that become substantially involved in the Insulin Litigation. Copies of all written communications between Outside Counsel and any state agencies relating to the Insulin Litigation shall be provided to the Agency.

ARTICLE 5. DOCUMENTATION

(A) Outside Counsel shall maintain detailed contemporaneous records that concern the provision of attorney services under this Agreement in accordance with Section 287.059(16), Florida Statutes, including but not limited to the documentation of all expenses, disbursements,

Failure by Outside Counsel to allow the aforementioned public access constitutes grounds for unilateral cancellation by the Agency at any time, with no recourse available to Outside Counsel. Further, if Outside Counsel fails to provide the public records to the Agency within a reasonable time, it may be subject to penalties under Section 119.10, Florida Statutes. Outside Counsel shall also keep and maintain all public records consistent with the State of Florida's record retention schedule. A request to inspect or copy public records relating to this Agreement must be made directly to the Agency. If the Agency does not possess the requested records, the Agency will immediately notify Outside Counsel of the request. Upon receiving such a notification and request from the Agency's Custodian of Public Records, Outside Counsel shall provide the Agency with a copy of the requested records, at no cost to the Agency, or allow the records to be inspected or copied by the member of the public making the records request at a cost that does not exceed the cost provided in Chapter 119, Florida Statutes, or as otherwise provided by law. Outside Counsel will ensure that public records that are exempt

or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Agreement and following completion of the Agreement if Outside Counsel does not transfer the records to the Agency at that time.

Upon completion of this Agreement, Outside Counsel shall keep and maintain public records required by the Agency to perform the services to be provided in the scope of this Agreement or electronically transfer, at no cost, to the Agency all public records in possession of Outside Counsel. If Outside Counsel transfers all public records to the Agency upon completion of the Agreement, Outside Counsel shall destroy all duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Outside Counsel keeps and maintains public records upon completion of the Agreement, Outside Counsel shall meet all applicable requirements for retaining public records, consistent with the State of Florida's records retention schedule. All public records stored electronically must be provided to the Agency, upon request of its Custodian of Public Records, at no cost to the Agency, in a format compatible with the information technology systems of the Agency.

FEE AND EXPENSE REIMBURSEMENT STRUCTURE

1. Outside Counsel shall first seek to have its reasonable attorney's fees, costs, and expenses paid by one or more of the parties legally responsible for the Insulin Litigation.
2. In the event of a successful monetary resolution of the Insulin Litigation during the course of this Agreement, but where the responsible parties do not pay Outside Counsel for its reasonable attorney's fees, any agreed-upon contingency fee from the State's gross monetary recovery on the Insulin Litigation will be in an amount consistent with Section 16.0155(5), Florida Statutes, with Lawson Huck Gonzalez, PLLC receiving one-third of the attorney's fees, The Ferraro Law Firm, P.A. receiving one-third of the attorney's fees, and Ged Lawyers, LLP receiving one-third of the attorney's fees. The parties further agree to accept the arbitrator's award as final and binding on them and not subject to any administrative appeal or judicial challenge.
