

Notice of Accreditation and Comments Invitation

A team of assessors from the Commission for Florida Law Enforcement Accreditation will examine all aspects of the Florida Attorney General's Office of Inspector General's policies and procedures, management, operations and support services starting April 25. The assessment team is composed of law enforcement practitioners from similar agencies and will review written materials and interview individuals within the investigative unit to determine compliance with approximately 47 standards in order to receive and maintain accredited status.

As part of the on-site assessment, agency members and the general public are invited to offer comments to the assessment team. A copy of the standards is available through the Attorney General's Office of Inspector General at (850) 414-3456.

Once the Commission's assessors complete the review of the agency, the assessors report back to the full Commission, which will then decide if the agency is to receive accredited status. The team's verification that the Attorney General's Office of Inspector General meets the Commission's standards is part of a voluntary process to gain or maintain accreditation.
